NOVALUNA SIGNIFICA MADE IN ITALY.

Un concetto molto semplice e chiaro, messo in pratica affidandoci a quattro principi: la serietà di un progetto in cui investiamo risorse ed energie; la genialità delle linee dei nostri designer e del nostro centro stile; l'alta qualità dei materiali utilizzati e, infine, la maestria nella lavorazione artigianale.

Nella più genuina tradizione del saper fare italiano, realizziamo prodotti con sapienza e passione, dopo una rigorosa selezione dei legni, dei rivestimenti e di tutte le componenti. Con una cura dei dettagli e delle finiture degna delle grandi sartorie.

I nostri letti nascono per essere eleganti, emozionanti e funzionali. Per regalare ai nostri amici acquirenti comfort e piacere nel tempo.

SONO LETTI DI GRANDE QUALITÀ. Cosa significa? Vuol dire utilizzare esclusivamente rivestimenti piacevoli alla vista e al tatto, duraturi ed eleganti. In pregiata pelle, raffinato tessuto o pratica ecopelle. Significa utilizzare reti progettate

per la comodità, l'ergonomia e allo stesso tempo robuste e durevoli.

Significa costruire strutture letto che rispondono ai più alti standard di settore, senza compromessi.

Qualità, per noi, è avere in catalogo anche l'opzione di un box contenitore (ad uno o due movimenti) versatile e funzionale, al top di gamma per solidità costruttiva.

Qualità significa, infine, offrire un'ampia varietà di allestimenti, di dimensioni (anche su misura), di varianti e di complementi.

IL SISTEMA NOVALUNA è un servizio completo, disegnato per vestire perfettamente i vostri gusti e donarvi un'esperienza d'uso imbattibile.

Un'azienda vera, con decenni di attività nel settore legno-arredo grazie alla grande storia della FRATELLI CORNACCHIA, in un contesto di effervescente vivacità industriale e sociale che vede MATERA CAPITALE EUROPEA DELLA CULTURA 2019.

Una tradizione genuinamente artigianale. Un Made in Italy autentico, realizzato davvero e completamente in Italia.

Dietro un brand innovativo e in grande crescita ci sono persone vere, competenti, affidabili.

ANCHE QUESTA È LA QUALITÀ NOVALUNA.

NOVALUNA MEANS MADE IN ITALY.

A very simple and clear concept that leads our work by counting on four main values: seriousness of a project in which we invest in resources and energy, the genius of a line-up devised by our designers and style centre, high quality of materials used in production and, last but not least, our Craftmanship.

Following the most genuine tradition of Italian savoir-faire, our products are made with passion and know-how, after having meticulously selected woods, covers and components. Our attention to details and finishing touches are a match to those of the greatest dressmakers.

Our beds are meant to be stylish, exciting and functioning, aiming to provide their buyers with lots of comfort and satisfaction over time.

THEY ARE BEDS OF VERY HIGH QUALITY. What does it mean?

It means a selection of nice looking, long-lasting, pleasant to touch and elegant coverings. In fine leather, fabric or handy eco-leather.

It means that our bases are designed to be comfortable and ergonomic as well as strong and long-lasting.

It means that we build bedframes of the highest standard in the industry, without compromise.

For us, quality also involves offering an optional storage (one movement or two movements) that is versatile and useful, simply the best for robustness.

Quality also means offering a large variety of fitting, size (even tailored), variation and addition.

THE NOVALUNA SYSTEM is a complete service, designed to satisfy your taste in the best way, giving you an unbeatable experience.

A real company, that has been working in the interior design industry for many decades thanks to the great history of the FRATELLI CORNACCHIA, in the hectic social and industrial environment of MATERA, EUROPEAN CAPITAL OF CULTURE 2019.

A genuine artisan tradition. Truly Made in Italy: Everything is really built in our country.

Behind this innovative and expanding brand, you'll find real, expert and reliable people.

THIS TOO IS NOVALUNA QUALITY.

Comfort One

Doghe in multistrato di faggio, telaio a 3 snodi. Innesto in nylon anti cigolio. Fornita di piedi conici avvitabili di mm 60, tutte le versioni matrimoniali sono dotate di piede centrale regolabile. Nella versione elettrica singola il movimento è a motore, con quattro snodi robusti e funzionali che si muovono su guide robuste e silenziose. Ferma-materasso alla zona piedi.

Multi-layer beechwood slats, frame with 3 joints. Nylon graft anti-creaking. Screwable conical feet mm 60. All King-size mattresses have an adjustable middle support foot. The single electric version is motor-operated with four sturdy and functional joints on solid, silent rails. Mattress fixed on the feet side.

Comfort Two

Doghe in multistrato di faggio, telaio a 5 snodi. Innesti a balancelle in SEBS e di regolatori di rigidità scorrevoli nella zona dorso lombare per consentire un sostegno calibrato. Fornita di piedi conici avvitabili di mm 60, tutte le versioni matrimoniali sono dotate di piede centrale regolabile. Nella versione elettrica singola il movimento è a motore, con quattro snodi robusti e funzionali che si muovono su guide robuste e silenziose. Ferma-materasso alla zona piedi.

Multi-layer beechwood slats, frame with 5 joints. Rockers in SEBS present a standard stiffness with sliding tension-adjusters at the upper-lumbar spot in order to give a balanced support. Screwable conical feet of 60 mm. All King-size versions have an adjustable middle support foot. The single electric version is motor-operated with four sturdy and functional joints on solid, silent rails. Mattress fixed on the feet side.

Reti | Bed Bases

Fix

Rete piana a doghe in legno. Profilo squadrato di forte spessore in acciaio, listelli in faggio evaporato 68x8mm. Su richiesta è possibile dotare la rete di regolatori di tensione.

Flat base with wooden slats. Solid square steel profile, dried beechwood slats 68x8mm. On request: base can be fitted with tension-adjusters.

Box One

Box One al comfort della rete a doghe aggiunge la funzionalità di un contenitore molto capiente e facilmente accessibile: basta sollevare la parte anteriore. Il movimento è assistito dal meccanismo che lo rende fluido e leggero.

Box One adds a useful storage capacity to the comfort of the slats, which is easily accessed raising the front part of the base. Movement is aided by the mechanism and will be light and smooth.

Box Two

Box Two al comfort della rete a doghe aggiunge la funzionalità di un contenitore molto capiente e facilmente accessibile: basta sollevare la parte anteriore. Il movimento è a due fasi, assistito dal meccanismo che lo rende fluido e leggero.

Box One adds a useful storage capacity to the comfort of the slats, which is easily accessed raising the front part of the base. The two-phase movement is aided by the mechanism and will be light and smooth.

Materassi | Mattresses

Afrodite

Materasso tradizionale a molla biconica. Impedisce gli affossamenti anche nei punti di maggior pressione. Antiacaro e antibatterico. Spessore 25 cm. Rivestimento: Silver.

Traditional mattress with biconical springs. Prevents dips even where it is most stressed. Anti-mite and antibacterial. Thickness 25 cm. Cover: Silver.

Artemide

Materasso in schiuma ad alta capacità battericida per salvaguardare l'igiene senza rinunciare al comfort. Antiacaro e antibatterico. Spessore 22 cm. Rivestimento: Blue Silver.

Foam mattress with high bactericide capability for top hygiene and comfort. Anti-mite and antibacterial. Thickness 22 cm. Cover: Blue Silver.

Clio

Materasso composto da uno strato superiore in MemoryFoam autoadattabile e uno inferiore in Ergolates. Cerniera 4 lati. Antiacaro e antibatterico. Lavabile 60°. Spessore 21 cm. Rivestimento: Silver. * MemoryFoam: schiuma a celle aperte a base d'acqua e polioli vegetali. Traspirante e adattabile. ** Ergolates: materia a base d'acqua con densità rigida.

*Two layer mattress: one auto-adaptable MemoryFoam and one Ergolates. Zip on 4 sides. Anti-mite and antibacterial. Machine wash 60°. Thickness 21 cm. Cover: Silver. * MemoryFoam: open cell, water based and plant based polyol foam. Transpiring and adaptable. ** Ergolates: water-based substance with stiff density.*

Materassi | Mattresses

Demetra

Materasso composto da uno strato superiore in MemoryFoam autoadattabile e due inferiori in Ergolates di differente elasticità. Cerniera 4 lati. Antiacaro e antibatterico. Lavabile 60°. Spessore 21 cm. * MemoryFoam: Nuova schiuma a base d'acqua e polioli vegetali, con microparticelle di gel per una sensazione di freschezza. Rivestimento: Green Tea. ** Ergolates I: materia a base d'acqua con densità rigida. *** Ergolates II: materia a base d'acqua con densità media.

*Three layer mattress: one auto-adaptable MemoryFoam layer and two Ergolates layers with different elasticity. Zip on 4 sides. Anti-mite and antibacterial. Machine wash 60°. Thickness 21 cm. * MemoryFoam: new open cell, water based and plant based polyol foam. With micro-particles made of gel for a fresh feel. Cover: Green Tea. ** Ergolates I: water based substance with stiff density. *** Ergolates II: water based substance with medium density.*

Gaia

Materasso con molle insacchettate. Sostegno per il riposo e struttura traspirante con 4 zone di differente rigidità. Cerniera 4 lati. Antiacaro e antibatterico. Spessore 25 cm. Lavabile 60°. Rivestimento: Cashemere, Camomilla, Silver Touch.

Mattress with pocket springs. Support for an ideal rest and transpiring with 4 areas of different stiffness. Zip on 4 sides. Anti-mite and antibacterial. Thickness 25 cm. Machine wash 60°. Cover: Cashemere, Camomilla, Silver Touch.

Selene

Materasso composto da uno strato superiore in MemoryFoam autoadattabile e uno inferiore in Ergolates. Cerniera 4 lati. Antiacaro e antibatterico. Lavabile 60°. Spessore 23 cm. Rivestimento: Cashemere, Camomilla, Silver Touch. * MemoryFoam: schiuma a celle aperte a base d'acqua e polioli vegetali. Traspirante e adattabile. ** Ergolates: materia a base d'acqua con olii vegetali e microcapsule di aloe vera.

*Two layer mattress: auto-adaptable MemoryFoam and Ergolates. Zip on 4 sides. Anti-mite and antibacterial. Machine wash 60°. Thickness 23 cm. Cover: Cashemere, Camomilla, Silver Touch. * MemoryFoam: water based and plant based polyol foam. Transpiring and adaptable. ** Ergolates: water based substance with plant oils and microcapsules of aloe vera.*

Le tonalità delle riproduzioni fotografiche sono puramente indicative. Per un'esatta scelta si deve fare riferimento al campionario colori. Novaluna si riserva il diritto di apportare agli articoli piccole modifiche estetiche che in catalogo possono non apparire. La corrispondenza al campione di riferimento non deve intendersi in senso assoluto: vanno considerati possibili margini di tolleranza su colori, materiali e misure.

The colour shades in the pictures are merely indicative. For a precise choice it is necessary to refer to the colour samples. Novaluna reserves the right to apply small aesthetic changes to the items that may not appear in the brochure. The conformity to the sample is not to be intended in an absolute way, but with a margin of tolerance when it comes to colours, materials and measures.
